## **SUBMISSION & RELEASE AGREEMENT**

---

To Whom It May Concern:

I am submitting to My Script Needs Help! (hereinafter "you" or "your") the following written material (s):

Title: \_\_\_\_\_

WGA Registration # (Check one  East or  West): \_\_\_\_\_

Copyright # (if applicable): \_\_\_\_\_

The word "you" and "your" in this Agreement refers to My Script Needs Help!, and any parent or subsidiary company, any company affiliated with it or them by common stock or LLC membership ownership or otherwise, its and their subsidiaries, subsidiaries of such affiliates, any person, corporation, or entity to which it or they may have an affiliation for development and/or production of motion pictures based on the Material, and the officers, agents, attorneys, servants, employees, directors, stockholders, licensees, successors and assigns of it and all such persons, corporations and entities referred to in this paragraph. If the Material is submitted by more than one person, the word "I or Me" shall be deemed changed to "We or Us" (and the corresponding verb changed to the first person plural), and this Agreement will be binding jointly and severally upon all such persons.

I acknowledge that you have adopted a policy of refusing to accept or consider for inclusion in the Script Service or otherwise review any Material unless the person submitting such Material and all other authors of the Material, if any, have signed this Agreement acknowledging that he or she understands the nature of the Script Service and the limitations on your liability in connection with it.

This material (s), consisting of motion picture or television script (s), stage plays, novels or manuscripts, ideas, logline (s), short stories, or synopses, etc. (collectively, called "Material") is being submitted for either coverage, analysis, repair, ghostwriting, or consultation services, and in the event I agree, also for consideration in connection with the possible development and production of a motion picture, television project or other audio visual work based on the Material. I hereby acknowledge and agree that it is in my best interest to have the Material, and any comments or notes you may have thereto reviewed by industry professionals and that such potential consideration and your analysis are good and valuable consideration for me to enter into this submission release agreement ("Agreement").

In consideration of the foregoing, I hereby irrevocably warrant, represent and acknowledge the following:

► I am at least eighteen (18) years of age, the Material is completely original with me (or to a minor extent in the public domain), I am the sole owner and author of the Material, and have the exclusive right and authority to submit the Material to you upon the terms and conditions set forth herein, and none of the rights granted herein will libel or defame any third party or otherwise violate the rights of any third party, whether under copyright or otherwise.

► The Material is submitted by me voluntarily and not in confidence, and no confidential or fiduciary relationship between you and me exists or is being created by this Agreement or by my submission of the Material.

► You have access to, may create or have created literary materials and ideas which may be similar or identical to the Material in theme, idea, plot, format or other respects. I will not be entitled to any compensation because of the use of any such similar or identical material which may have been independently created by another customer or may have come to you or any customer from any independent source, other than with respect to any protectable literary property ("Protectable Material") contained therein. Protectable Material means any Material which is protected as literary property under US Copyright Law or Writer's Guild of America registration. You may use without obligation to me any Materials which are not Protectable Material or which you would be free to use if the Material had not been submitted to you by me, or which is in the public domain, or which was independently conceived by another person or entity prior to or after this submission.

► No obligation of any kind is assumed or may be implied against you by reason of your inclusion of the Material in the Script Service.

► Nothing contained in this Agreement nor the fact of my submission of the Material to you shall place you or any of the customers to the Script Service or any other person or entity to whom you show the Material in any different position than anyone else to whom I have not submitted the Material.

► Except as otherwise provided in this Agreement, I hereby release you from any and all claims, demands, and liabilities that may arise in relation to the Material or by reason of any claim now or hereafter made by me that you have used or appropriated the Material or any portion thereof. If you use any Protectable Material from the Material I submit to you, provided it has not been obtained from, or independently created by, another source, and if the foregoing release is held invalid or inapplicable by any court of competent jurisdiction, I agree that your liability shall be limited to an amount which is comparable to the fair market value thereof as of the date of this Agreement, but in no event more than the applicable Writers Guild of America minimum scale payment for such Material. If we are unable to agree to said amount, or in the event of any dispute concerning any alleged use of said Material (e.g., whether you have caused the Protectable Material to be used), or any other dispute arising out of or in connection with the Protectable Material or with reference to this Agreement, its validity, construction, performance, non-performance, operation, breach, continuance or termination, such dispute shall be submitted to arbitration in the County of Los Angeles, State of California, in accordance with the rules and regulations of the American Arbitration Association then in effect, provided that said arbitration shall be heard before a single arbitrator, selected pursuant to said rules and regulations.

Each party hereby waives any and all rights and benefits which he or it might otherwise have or be entitled to under the laws of California to litigate any such dispute in court, it being the intention of the parties to arbitrate, according to the provisions hereof, all such disputes. Said arbitrator shall be well acquainted with the entertainment business in the County of Los Angeles. The arbitrator's decision shall be controlled by the terms and conditions of this Agreement and shall be final and binding, and shall provide for each party to bear his or its own costs of arbitration and attorneys' fees. I agree that the amount of any award shall be an amount which is comparable to the fair market value thereof as of the date of this Agreement, but in no event more than the applicable Writers Guild of America minimum scale payment for such Material. Judgment upon the award of the arbitrator may be enforced in any court of competent jurisdiction. If either party shall fail to appear at the hearing on the date designated in accordance with the rules of the American Arbitration Association, or shall otherwise fail to participate in the arbitration proceeding, then the arbitrator is empowered to proceed ex parte. In the event of any dispute concerning the Material or this Agreement, my sole remedy shall be to seek damages and in no event shall I be entitled to seek injunctive or other equitable relief or undertake any legal efforts or restrict your right to use the Material.

► I acknowledge and agree that you may retain the original of the Material submitted hereunder and that I have retained at least one copy of the Material. As such, I hereby release you from any liability for loss or damage to the

Material or copies thereof. I understand that should you return the Material to me, such action shall not terminate or affect any rights or obligations under this Agreement. In addition to making the representations and warranties set forth above, I also acknowledge my understanding of and agreement to the following:

- ▶ The Script Services offered are open services with the primary purpose of evaluating film, television, stage play scripts, treatments, etc. for film production potential and facilitating introductions and interactions between writers and parties interested in optioning or acquiring literary material, if the writer so chooses. - ▶ I will defend and indemnify you against any liabilities, losses, claims, demands, costs or expenses (including, without limitation, attorneys' fees and court costs) incurred at any time in connection with the Material or in connection with any breach or alleged breach by me of any of the representations, warranties or agreements contained herein. I agree that I must give you written notice by certified or registered mail at your address as set forth on the My Script Needs Help! website, of any claim arising in connection with the Material or arising in connection with this Agreement within the period of time prescribed by the applicable statute of limitations, but in no event more than 10 calendar days after I acquire knowledge of such claim, or if it be sooner, within 10 calendar days after I acquire knowledge of facts sufficient to put me on notice of any such claim. My failure to give you written notice will be deemed an irrevocable waiver of any rights I might otherwise have with respect to such claim.
- ▶ You and your assignees may assign your rights under this Agreement, in whole or in part, in any manner and to any person, corporation or entity that you shall determine.

► Any provision or part of any provision which is void or unenforceable shall be deemed omitted, and this Agreement with such provision or part thereof omitted shall remain in full force and effect. This Agreement shall at all times be construed so as to carry out the purposes stated herein.

► This Agreement may not be changed, modified, terminated or discharged except in writing signed by both you and me.
